

PCSA Video Submission Rules and Guidelines

New this year, PCSA will host video submissions for the Annual Meeting, February 16-19, 2018 at the Meritage Resort and Spa in Napa, CA.

All authors are encouraged to submit clinical or surgical videos featuring interesting, innovative and educational content.

Rules and Guidelines:

- Any author may participate. A PCSA Member must be senior author on the video.
- Surgical or clinical videos will be accepted
- Videos must be under 2 minutes in length, edited, with or without audio or captions
- Videos must be de-identified, and should not include any identification of the institution or narrator
- Maximum file size is 200MB
- Accepted Codecs/containers (.mp4 is preferred):
 - o .mp4, .m4v, or .mov
 - o .mpg or .mpeg
 - o .swf
 - o .wmv
- HD files are accepted and will result in a clearer display, but please do not create an HD video file if your content is not HD
- All submissions must be accompanied by a 150-word abstract describing the contents of the video presentation
- The file should be named as the last name of the first author, for example smith.mp4 or underwood.mov
- Submission Deadline: September 4, 2017 at 11:59 pm PST
